CASCWA State Conference 2017 Granlibakken Tahoe Hotel

2016 CASCWA State Conference Pictorial Reflection Edition Thursday Day 2 PART 1

Thursday's program was powerful and one of the best in CASCWA's history. Orange County Superintendent of Schools, Al Mijares, Ph.D., welcomed the conference attendees and he gave a powerful message. His words got the conference off to a great start and the presentations were on target! The following pages contain memories of "Day Two's Attendees and Activities." Enjoy!

INFORMATION ON THE 2017 CASCWA STATE CONFERENCE IN LAKE TAHOE WILL SOON BE AVAILABLE.
